◀ FLORAL FRAMES FROM MOREL'S KOALI.

Koali's Vanille concept is characterized by vanilla and is available in six designs (Style Nos. 6679K (left) and 6774K (right) shown here), with four color combinations per style. Its bold, graphic, and fluid acetate temples employ three layers of colors in shapes reminiscent of vanilla stems. The vanilla flower is also the influence behind the hollow-milled stainless steel trim. Available in rimmed, semi-rimless, and acetate styles, this line will appeal to women looking to add a splash of floral femininity to their eyewear. **For more information, contact Morel at 800-526-8838 or morel-france.com, or at Vision Expo East, #G458.**

REPTILE'S BASILISK GETS SOME SUN. Basilisk, the company's newest polarized sun style, is ultra-lightweight and offered in two color combinations: black on black and red, and chocolate on chocolate and lime. The sunglass features Reptile Polynium Polarized Lenses, offering optical performance and protection from solar glare. **For more information, contact Reptile Polarized Sunglasses at 800-625-1880 or reptilesun.com, or at Vision Expo East, #G571. ▶**

◀ MYKITA FLIES WITH USLU.

The three editions of Uslu Airlines' EVE and BOB Jet Set collections come in striking, exclusive colors, each with a matching nail polish. In keeping with Uslu's tradition of naming its products after airports, the MYK gray-brown and lilac ITA are new developments of top sellers for the cosmetics line, while SFX is a new twist on neon yellow. Each aviator's gradient lenses fade from black into that model's respective color and the nail polishes will also be sold separately. **For more information, contact MYKITA at 973-669-0063 or mykita.com, or at Vision Expo East, #G350.**
